Who Are Refugees

A refugee is a person who has fled or has been forced to leave their home country out of fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion.

Often they leave home suddenly taking few possessions and spend years, even decades, living in refugee camps.

Why We Serve

For refugees arriving in Cincinnati, we serve these brothers and sisters who are fleeing intolerable conditions in their homeland. These refugees are the latest wave of immigrants who come here, enriching our culture, joining the long line of German, Irish, Jewish, Polish, Asian & Eastern European refugees and immigrants who have come to Cincinnati looking for a fresh start and a better life.

We are blessed to serve these vulnerable new neighbors as one with Christ in the World!

In 2017, advocates coordinated donations of household items for refugees. Their sorting party lined the halls of Catholic Charities’ offices with Welcome Baskets. The group has remained active and a good way to receive “call-outs” for donation needs.
