Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Catholic Charities of Southwestern Ohio and Subsidiary (a nonprofit organization), which comprise the consolidated statement of financial position as of December 31, 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Catholic Charities of Southwestern Ohio and Subsidiary as of December 31, 2021, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Catholic Charities of Southwestern Ohio and Subsidiary and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Charities of Southwestern Ohio and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

**Independent Auditors' Report
(Continued)**

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities of Southwestern Ohio and Subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Charities of Southwestern Ohio and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Report on Summarized Comparative Information

We have previously audited Catholic Charities of Southwestern Ohio and Subsidiary's 2020 consolidated financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 18, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

**Independent Auditors' Report
(Continued)**

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 30, 2022, on our consideration of Catholic Charities of Southwestern Ohio and Subsidiary's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Catholic Charities of Southwestern Ohio and Subsidiary's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Catholic Charities of Southwestern Ohio and Subsidiary's internal control over financial reporting and compliance.

Notes to the Consolidated Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Catholic Charities of Southwestern Ohio and Subsidiary (the Organization) is a ministry of the Archdiocese of Cincinnati serving the poor and vulnerable of the community. The Organization's mission is to enlighten, serve and empower their clients, benefactors and others who join with the Organization in living the mission of Christ.

Su Casa Hispanic Center, LLC (an Ohio limited liability corporation) was formed in 2013 and is a wholly owned subsidiary of Catholic Charities of Southwestern Ohio. Su Casa Hispanic Center was formed for the purpose of separating the operations of the Su Casa Hispanic Center from the general operations of Catholic Charities of Southwestern Ohio.

The Organization seeks revenues adequate to support its programs. Principal providers of funds are the United Way, the Archdiocese of Cincinnati and the Catholic Ministries Appeal, the federal government in the form of grants, other governmental agencies and many legacies, bequests and donations.

Mental Health Services are provided to individuals that exhibit symptoms that could require mental health counseling. These services are provided to individuals, families and groups. A sliding cost of service is available to those who are eligible and meet certain income requirements to help subsidize the costs.

Family Services finds ways to heal broken families and hurting children by providing programs for early childhood mental health intervention, parenting education, personal and family growth, and postponing sexual involvement.

Refugee Resettlement provides services to resettle refugees who are fleeing war, persecution, and economically devastated lands. The goal is to provide these individuals with the resources they need to be self-sustainable through housing, employment and language skills.

Language Services coordinates language professionals from the Organization to provide face-to-face interpretation services to non-English speakers or individuals with limited English proficiency to ensure they can access legal, educational, healthcare and other social services.

Su Casa Hispanic Center is the primary provider of social, educational, language, employment and health care federal services to the Hispanic/Latino community in Greater Cincinnati. The mission of Su Casa is to promote self-sufficiency for the Hispanic/Latino immigrant community that comes to the U.S. looking for a better way of life for their families.

Food For All serves individuals through the operation of mobile food pantries and direct cash assistance to individuals in need.

Volunteer Services provides meaningful opportunities for community members to serve in various programs and for seniors to remain active through the stipend AmeriCorps Seniors Foster Grandparents and Senior Companion Programs.

Immigration Legal Services provides immigration legal services to low-income families and individuals.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Principles of Consolidation

The accompanying financial statements include the assets, liabilities and financial activities of Catholic Charities of Southwestern Ohio and Su Casa Hispanic Center, LLC (collectively, the Organization). All significant inter-organizational balances and transactions have been eliminated for purposes of this presentation.

Financial Statement Presentation

The financial statements include certain prior year summarized comparative information that does not constitute a presentation in conformity with accounting principles generally accepted in the United States of America. This includes summarized revenues, expenses, gains and losses in total but not by net asset class as well as summarized expenses by nature and by function separately rather than in one location. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2020 from which the comparative information was derived.

The consolidated financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP). The Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions, which are available for use in general operations and not subject to donor restrictions; and net assets with donor restrictions, which are either temporary in nature, such as those that will be met by the passage of time or other events specified by the donor, or are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Fair Value Measurements

GAAP has a three-level hierarchy for fair value measurements based on transparency of valuation inputs as of the measurement date. The hierarchy is based on the lowest level of input that is significant to the fair value measurement. The three levels are defined as follows: Level 1 inputs are unadjusted quoted prices for identical assets in active markets; Level 2 inputs are observable quoted prices for similar assets in active markets; Level 3 inputs are unobservable and reflect management's best estimate of what market participants would use as fair value.

Cash and Cash Equivalents

The Organization considers all liquid investments with original maturities of three months or less to be cash and cash equivalents. At December 31, 2021 and 2020, cash and cash equivalents consisted primarily of deposits in the Archdiocese of Cincinnati pooled investment fund. The Archdiocese of Cincinnati maintains a cash management system in which certain parishes and related organizations of the Archdiocese of Cincinnati may participate. This money management system is administered by a bank trust department and funds deposited by each participant are swept into a pooled investment fund on a daily basis. The Archdiocese of Cincinnati pooled investment fund consisted of cash, money market funds and long-term securities.

The Organization maintains its cash in bank deposit accounts which, at times, exceed federally insured limits. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk.

CATHOLIC CHARITIES OF SOUTHWESTERN OHIO AND SUBSIDIARY

Notes to the Consolidated Financial Statements (Continued)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Account Receivable

The Organization states its accounts receivable net of an allowance for doubtful accounts. On a periodic basis, the Organization evaluates its accounts receivable and establishes an allowance for doubtful accounts, based on a history of past write-offs, collections and current credit conditions. No allowance for doubtful accounts is deemed necessary at December 31, 2021 and 2020.

Investments and Investment Return

Investments in equity securities having a readily determinable fair value and all debt securities are carried at fair value. Other investments are valued at the lower of cost or fair value. Investment return includes dividends, interest and realized and unrealized gains and losses on investments, net of investment expenses.

Interest in trust investments consist of investments in unregistered investment pools, which are not valued upon quoted market prices. The unregistered investment pools invest in various equity and debt securities and other vehicles to generate its investment return. These funds record investments at net asset value per share (NAV) as reported by fund managers, which represent the Organization's proportionate interest in the capital of the invested funds.

Investment return that is initially restricted by donor stipulation and for which the restriction will be satisfied in the same year is included in net assets without donor restrictions. Other investment return is reflected in the statement of activities as net assets without donor restrictions or net assets with donor restrictions based upon the existence and nature of any donor or legally imposed restrictions.

Risks and Uncertainties

The Organization's investments are exposed to various risks, such as credit, market and interest rate. Due to the level of uncertainty related to changes in interest rates, market volatility and credit risks, it is at least reasonably possible that changes in these risks could materially affect the fair value of the investments reported in the statement of financial position at December 31, 2021. However, the diversification of the Organization's investments among various asset classes should mitigate the impact of any adverse changes on any one asset class. Investments are managed by the Board of Trustees with advice and assistance from investment professionals.

Property and Equipment

Property and equipment are recorded at cost or, if donated or impaired, at fair value at the time of the gift or determination. Depreciation is calculated on a straight-line basis over the estimated useful lives of the respective assets. Major improvements are capitalized, while maintenance and repairs are expensed as incurred.

In accordance with GAAP, the Organization assesses the recoverability of the carrying amount of property and equipment if certain events or changes occur, such as a significant decrease in market value of the assets or a significant change in operating conditions. Based on its most recent analysis, the Organization believes no impairments existed at December 31, 2021 and 2020.

CATHOLIC CHARITIES OF SOUTHWESTERN OHIO AND SUBSIDIARY

Notes to the Consolidated Financial Statements (Continued)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donations and Planned Giving

Gifts of cash and other assets received without donor stipulations are reported as revenue without donor restrictions. Gifts received with a donor stipulation that limits their use are reported as revenues with donor restrictions. When a donor stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Gifts having donor stipulations which are satisfied in the period the gift is received are reported as revenue without donor restrictions.

Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as revenue with donor restrictions. In the absence of explicit donor stipulations about how long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Government Fees and Grants

Revenues of the Organization consist primarily of federal, state, and local cost reimbursable grants. The grants are conditional on the Organization incurring allowable expenses in performance of the grants. At December 31, 2021 and 2020 the Organization had remaining available balances on federal and local government conditional grants and contracts of \$964,042 and \$734,381, respectively. Grant revenue is recognized as support to the extent that the related expenses are incurred. Grant funds received in excess of expenses incurred result in the recognition of a refundable advance (liability). Allowable expenses incurred in excess of grant funds received results in recognition of accounts receivable (asset).

Income Taxes

The Organization is exempt from income taxes under Section 501 of the Internal Revenue Code and a similar provision of Ohio law. However, the Organization is subject to federal income tax on any unrelated business taxable income.

The Organization's IRS Form 990 is subject to review and examination by federal and state authorities. The Organization believes it has appropriate support for any tax positions taken, and therefore does not have any uncertain income tax positions that are material to the financial statements.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Expenses have been classified based upon the actual direct expenditures and cost allocations. The most significant allocations are salaries and related expenses, which are allocated based on an estimate of time spent by personnel on the related activities, and occupancy, which are allocated to programs based on full time equivalents.

Notes to the Consolidated Financial Statements (Continued)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of the revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

The Organization identifies a contract with a customer for revenue recognition when there is approval and commitment from both parties, the rights of the parties and payment terms are identified, the contract has commercial substance and the collectability of consideration is probable. The Organization evaluates each contract to determine the number of distinct performance obligations in the contract, which requires the use of judgment. To determine the proper revenue recognition method, the Organization evaluates whether two or more contracts should be combined and accounted for as one single contract and whether the combined or single contract should be accounted for as single or more than one performance obligation.

Revenue from contracts with customers is primarily recognized from program service fees for translation services. These contracts consist of a single performance obligation as the promise to transfer the service is not separately identifiable from other promises in the contracts and, therefore, not distinct. Revenue from translation services is recognized by the Organization over the time its services are provided to the customer. The Organization generally uses the time elapsed method, an input measure, as it considers it to best depict the simultaneous consumption and delivery of its services. The determination of the method by which the Organization measures its progress towards the satisfaction of its performance obligations requires judgment.

The transaction price is stated in the contracts and is known at time of contract inception. There is no variable consideration associated with the Organization's contracts with customers. Contract service fees are generally due within 30 business days of invoicing. Accounts receivable, net, from all contracts with customers as of December 31, 2021, 2020, and 2019 was \$230,322, \$304,851, and \$268,294, respectively.

Recently Issued Accounting Standards

In February 2016, the FASB issued ASU 2016-02, *Leases*. The standard requires all leases with terms over 12 months to be capitalized as a right-of-use asset and lease liability on the statement of financial position at the date of lease commencement. Leases will be classified as either finance or operating, which will be relevant for the pattern of expense recognition in the statement of activities. This standard will be effective for the Organization's year ending December 31, 2022.

In September 2020, the FASB issued ASU 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosure by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This standard increases transparency of contributed nonfinancial assets through enhancements to presentation and disclosure. These include separate presentation in the statement of activities, disaggregation by type, policy and qualitative information about monetization and utilization, description of valuation techniques and inputs used to arrive at a fair value measure, and donor-imposed restrictions associated with the contributed nonfinancial assets. This standard will be effective for the Organization's year ending December 31, 2022.

Reclassifications

Certain 2020 amounts have been reclassified to conform to the 2021 presentation.

Subsequent Events

The Organization has evaluated subsequent events through June 30, 2022, which is the date the financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

The Organization's financial assets available within one year of the statement of financial position date for general expenditures are as follow as of December 31:

	<u>2021</u>	<u>2020</u>
Cash and cash equivalents	\$ 623,154	\$ 1,125,137
Accounts receivable, net	577,496	507,030
Contributions receivable	356,704	700,226
Investments	<u>6,347,489</u>	<u>5,387,684</u>
	<u>\$ 7,904,843</u>	<u>\$ 7,720,077</u>

As part of the Organization's liquidity management, it is policy to maintain financial assets to be available as general expenditures, liabilities and other obligations come due. Any donations in excess of short-term operational requirements are invested in short-term investments.

NOTE 3 CONTRIBUTIONS RECEIVABLE

The Organization has recorded the following contributions receivable at December 31:

	<u>2021</u>	<u>2020</u>
United Way of Greater Cincinnati	\$ 241,140	\$ 441,281
Other	115,564	258,945
	<u>\$ 356,704</u>	<u>\$ 700,226</u>

All contributions receivable are expected to be collected within one year of the statement of financial position date.

NOTE 4 INVESTMENTS AT FAIR VALUE

Investments consisted of the following at December 31:

	2021	2020
Level 1:		
Mutual funds	\$ 6,340,173	\$ -
Level 2:		
Money market funds	7,315	-
Interest in The Springfield Foundation Charitable Trust	600,332	511,256
Total Level 2	607,647	511,256
Not subject to fair value hierarchy:		
Interest in Catholic United Investment Trust	-	5,371,114
	\$ 6,947,820	\$ 5,882,370

The following table provides a reconciliation of investments reported within the statement of financial position that sum to the total of the same such amounts shown in the investments at fair value table above as of December 31:

	2021	2020
Investments	\$ 6,697,820	\$ 5,632,370
Investments restricted by donors for endowment	250,000	250,000
	\$ 6,947,820	\$ 5,882,370

Fair values for mutual funds are estimated by reference to quoted market prices available in an active market. Fair values for money market funds and interest in The Springfield Foundation Charitable Trust are estimated using pricing models or quoted prices of securities with similar characteristics. The Organization holds a portion of its investments in The Springfield Foundation Charitable Trust, which combines the assets for investment and administrative purposes of the Organization and other participating organizations. Net investment income of The Springfield Foundation Charitable Trust (representing interest and dividend income, net investment appreciation or depreciation and trust and administrative fees) is allocated to the participating organizations based on their respective share of The Springfield Foundation Charitable Trust's assets.

Included in the above investments are interests in a trust investment of \$-0- and \$5,371,114 at December 31, 2021 and 2020, respectively, consisting of unregistered investment pools. The investment pools in turn invest in various equity and debt securities and other vehicles to generate its investment return. The fair value of these investment pools is reported by the Organization based on information provided by the investment managers. Values may be based on readily available public market data as well as estimates that require varying degrees of judgment. Generally, fair value reflects net contributions to the investee and an ownership share of realized and unrealized investment income and expense. The financial statements of the investee are prepared consistent with the measurement principles of an investment company or have the attributes of an investment company. The financial statements are audited annually by independent auditors as of December 31 with the most recent being as of December 31, 2021 and 2020, respectively.

NOTE 4 INVESTMENTS AT FAIR VALUE (CONTINUED)

Valuations for these investment pools provided by the investment managers are evaluated by the Organization, and management believes such values are reasonable for the years ended December 31, 2021 and 2020. The Organization used net asset value per share (NAV) as a practical expedient to determine the fair value of this investment, which is not required to be categorized using the fair value hierarchy.

The following table lists the investment in other investment companies by major category:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

NOTE 6 PAYCHECK PROTECTION PROGRAM (PPP) LOAN

On May 8, 2020, the Organization qualified for and received a loan pursuant to the Paycheck Protection Program (the "Program"), a program implemented by the U.S. Small Business Administration (SBA) under the Coronavirus Aid, Relief, and Economic Security Act, from a qualified lender, for an aggregate principal amount of \$664,800 (the "PPP Loan"). The PPP Loan bears interest at a fixed rate of 1.0% per annum, with the first nine months of principal and interest deferred, has a term of two years, and is unsecured and guaranteed by the SBA. The principal amount of the PPP Loan is subject to forgiveness under the Program upon the Organization's request to the extent that the PPP Loan proceeds are used to pay expenses permitted by the Program, including payroll costs, covered rent and mortgage obligations, and covered utility payments incurred by the Organization. The Organization elected to apply debt guidance pursuant to Accounting Standards Codification 470 to recognize the PPP Loan as debt until the loan is legally forgiven and made a policy election to classify the full amount of the PPP Loan as long-term debt. On March 4, 2021, the Organization received notification from the PPP Lender that the loan was fully forgiven, at which point the Organization recognized a gain on extinguishment of debt in the statement of activities. The outstanding balance for this note payable was \$-0- and \$664,800 at December 31, 2021 and 2020, respectively.

NOTE 9 FOOD BANK OPERATIONS

The Organization operated the Second Harvest Food Bank (SHFB) to serve approximately 100 nonprofit food pantries and other meal sites in Champaign, Clark and Logan counties. The Organization transferred the operations to the Ohio Tri-County Food Alliance (OTCFA) in the years 2018 – 2020. During that transition period, the Springfield Building was donated to the OTCFA in October 2018 and leased back to the Organization for \$1 per year. Various food inventory, property and equipment associated with the food bank operations were donated to the OTCFA during the transition years of 2018 - 2020. The Organization continued to operate the SHFB thru December 31, 2019. During the two transitional years, the OTCFA partially funded the Organization's operation of the SHFB. In 2020, once OTCFA was fully operating the SHFB, the Organization donated the remaining personal property and trade name to OTCFA, and the lease terminated.

NOTE 10 EMPLOYEE BENEFIT PLANS

The Organization participates in the Archdiocese of Cincinnati 401(k) plan. Employees are able to make elective deferrals. In addition, the Organization contributes 4% of compensation for eligible employees. During 2021 and 2020, contributions expensed by the Organization were \$117,690 and \$113,513, respectively.

NOTE 11 LEASES

The Organization maintains operating leases under varying terms for office space and equipment through 2026. One lease contains a renewable option plan for an additional five-year period.

Future minimum lease payments as of December 31, 2021 are as follows:

2022	\$	311,819
2023		302,895
2024		309,726
2025		309,249
2026		6,430
		<u>6,430</u>
	\$	<u>1,240,119</u>

Total rent expense was approximately \$320,000 and \$330,000 for the years ended December 31, 2021 and 2020, respectively.

NOTE 12 ENDOWMENT FUNDS

The Organization's endowment consists of a donor-restricted endowment fund to provide income for operations. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

CATHOLIC CHARITIES OF SOUTHWESTERN OHIO AND SUBSIDIARY

Notes to the Consolidated Financial Statements (Continued)

NOTE 12 ENDOWMENT FUNDS (CONTINUED)

Interpretation of Relevant Law

The Organization follows the Ohio Prudent Management of Institutional Funds Act (OPMIFA). The Organization has interpreted OPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the original value of donated gifts to the donor-restricted endowment funds and the original value of subsequent gifts are classified as net asset with donor restrictions (a time restriction in perpetuity). Investment return from the donor-restricted endowment funds is classified as net assets with donor restrictions (a purpose restriction) until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by OPMIFA.

In accordance with OPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: the duration and preservation of the fund; the purposes of the Organization and the donor-restricted endowment fund; general economic conditions; the possible effect of inflation and deflation; the expected total return from income and the appreciation of investments; other resources of the Organization; and the investment policies of the Organization.

Investment Policy

The Organization has adopted investment and spending policies for endowment assets that attempt to provide consistent long-term growth of capital, without undue exposure to risk. A secondary focus shall be to achieve annualized total return (net of fees and expenses), through appreciation and income, greater than the rate of inflation plus fund distributions. The return objective shall be accomplished using a strategy of cash equivalents, fixed income securities and equities in a mix which is conducive to participation in rising markets while allowing for protection in falling markets. The performance objectives will be measured against appropriate industry benchmarks such as the S&P 500 Index, Russell 2000 Stock Index, MSCI EAFE Index, and the Barclays US Aggregate Bond Index.

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy

The Organization has a policy of appropriating for distribution each year four percent of its previous three-year moving average of the market value of the endowment assets. The Board of Trustees can authorize additional spending from the Board-designated endowment as it deems appropriate. In establishing this policy, the Organization considered the long-term expected return on its endowment. Accordingly, this spending policy should, over time, protect the inflation-adjusted value of the endowment and, consequently, allow inflation-adjusted spending to occur into the distant future. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

NOTE 13 COVID-19 PANDEMIC

On March 11, 2020, the World Health Organization (“WHO”) recognized COVID-19 as a global pandemic, prompting many national, regional and local governments to implement preventative or protective measures, such as travel and business restrictions, temporary store closures, and wide-sweeping quarantines and stay-at-home orders. As a result, COVID-19 and the related restrictive measures have had a significant adverse impact upon many sectors of the economy. Consequently, there was disruption in the Organization’s programs and impacts to its revenues in 2021 and 2020.

The COVID-19 pandemic remains a rapidly evolving situation. The extent of the impact of COVID-19 on the Organization’s business and financial results will depend on future developments, including the duration and spread of the outbreak within the market in which the Organization operates and the related impact on consumer confidence and spending, all of which are highly uncertain.

CATHOLIC CHARITIES OF SOUTHWESTERN OHIO AND SUBSIDIARY

Notes to the Schedule of Expenditures of Federal Awards Year Ended December 31, 2021

NOTE 1 BASIS OF PRESENTATION

The supplementary schedule of expenditures of federal awards includes the federal grant activity of Catholic Charities of Southwestern Ohio and Subsidiary for the year ended December 31, 2021. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the schedule are reported on the accrual basis of accounting in accordance with generally accepted accounting principles. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 INDIRECT COST RATE

Catholic Charities of Southwestern Ohio and Subsidiary has elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

The Board of Directors
Catholic Charities of Southwestern Ohio and Subsidiary
Cincinnati, Ohio

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Catholic Charities of Southwestern Ohio and Subsidiary (the Organization) (a nonprofit organization), which comprise the consolidated statement of financial position as of December 31, 2021, and the related consolidated statement of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated June 30, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's consolidated financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS
(CONTINUED)**

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

The Board of Directors
Catholic Charities of Southwestern Ohio and Subsidiary
Cincinnati, Ohio

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Catholic Charities of Southwestern Ohio and Subsidiary's (the Organization) compliance with the types of compliance requirements identified as a subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2021. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE
(CONTINUED)**

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
